

Land Leveling Special Topcon Land Leveling System

We are excited to offer the Topcon System 210 Single Scraper and Dual Scraper Land Leveling Systems without base stations at a special price for a limited time. As you prepare for fall field work, GeoShack is lowering the price of our Land Leveling Systems to make them even more affordable.

Now through **October 31st**, take advantage of this great deal!

System 210 - Single Scraper (Without Base Station)

\$23,995 (regular \$24,630)

System 210 - Dual Scraper (Without Base Station)

\$35,995 (regular \$37,900)

Systems Includes:

- X20 Field Display
- MC-R3 Controller
- MC-A1 Rugged Dual Frequency GPS Antenna
- System Cabling
- 1 Year of GeoShack Support
- Installation and Training
- Call for Base Station Pricing
